Additional Info:

Visit www.orco.com for the latest information on available color blends, solid colors, and patterns. Before ordering, always verify color and texture with pavingstone samples.

For proper installation procedures, visit the Interlocking Concrete Pavement Institute (ICPI) at www.icpi.org. See Tech Spec #2 – Construction of Interlocking Concrete Pavements. In addition, ICPI's Guide Specifications provide information for installation of larger pavers, slabs, permeable systems and using alternative setting beds 0 like concrete, mortar, and bituminous asphalt. ICPI recommends using ICPI Certified Installers, who are trained in paver standards, materials, and techniques.
